BLOOMFIELD, N. J., SATURDAY, APRIL 27, 1912.

PRICE FIVE CENTS

TREE PLANTING STARTED.

UNDER DIRECTION OF THE SHADE TREE COMMISSION.

Nearly Four Hundred Trees Will be Set Out - Permit for Soldiers' and Sallors' Monument Granted - To Begin War on Elm Beetle.

The Shade Tree Commissioners, Charles A. Hungerford, Walter Ellor and John A. Rassbach, held a special meeting Monday night for the purpose of hearing objections to the ordinance adopted by the commission for planting shade trees in a number of streets in

There were no objections to the ordinance and on Wednesday morning the Holt of this town. work of planting trees was started. In accordance with the provisions of the ordinance nearly four hundred trees will be set out. They are Norway maples and Orientals.

complete setting out of trees from end Juliet cap of pearls with a frill of Carto end are Evergreen avenue, Llewellyn avenue, Clearfield avenue, Ella street, was of white orchids and lilies of the Grace street and Delaware avenue. placing the Soldiers' and Sailors' originally applied for to the Town and apple blossoms. Council and that body acquiesced, but at the same time informed the committee that as the care of public grounds had been turned over to the Shade Tree Commission, it would be necessary to apply to that body for a permit.

A problem that has been discussed off and on for nearly two score years by lace over white satin meteor. various civic bodies was taken up by the Shade Tree Commissioners Monday paths of the public grounds, known as port, Long Island. the "green." The experiences of the past in this line of work were recounted Final action on the question was deferred until the May meeting of the

It was decided to begin an early war against the elm beetle by beginning spraying work about the middle of May, when the foliage will be far enough advanced to make the work effective. The commission invites the co-operation of all citizens in the elm beetle war, and will be pleased to give any needed information to owners of trees in private grounds who want to protect their

The secretary of the commission reported that in accordance with a resolution passed at a previous meeting, the flag pole on the green had been painted.

Delightful Entertainment. A very delightful entertainment under the auspices of the music committee of Christ Church, this town and Glen Ridge, was given at the Parish House on Tuesday evening.

Prof. Baker, the versatile impersonator and ventriloquist, amused the choir boys and young people of the church, with his magic and humorous ventriloquism for nearly two hours.

Miss Justine Roberts, the clever entertainer, recited several extremely Rocks, and he hopes the number will ment base. amusing comic dialect stories and

THE SEWERAGE QUESTION

Town's Application to Join Passaic Valley Sewer Project Before the Commissioners - Important Legal Points Raised - Answer Expected Next Week.

The formal application from the Town Council of this town to the Passaid Valley Sewerage Commission to permit the town to join in the Passaic river valley trunk sewer project, was received and discussed at a meeting of the commissioners held on Tuesday, and was referred to Adrian Riker, counsel for the commission, for an opinion on some of the questions raised in connection with the application.

The Town Council's application was provisional in that it named the basis of ratables that should be applied in determining the cost to the town for its share of the sewer construction work, and it also provided that an assurance train was heavily embroidered, while be given by the commissioners that in the event of any more favorable concessions being made to Orange, East Orange or Montclair, the same concessions should apply to this town.

The Sewerage Commission is not now in a position to deal with this town as an original party to the con-

The belated application presents white marguerites. They wore the will be necessary for the town to obtain which have already signed the contract. The agreement by which Bloomfield might be admitted to the project will be mission and other municipalities on the one side, and the town on the other. Another point discussed was that the

application does not clearly show certain things the commission is desirous of knowing. For instance, it does not set forth clearly whether Bloomfield's proposal to enter into a contract means that it intends to deliver its sewage at the trunk sewer or have the commission construct a branch. At present Bloomfield, Orange, East Orange and Glen Ridge use a joint sewer.

Another point upon which further onsideration must be given is as to what the probable cost to Bloomfield will be in joining at this time.

There are several points about a re solution adopted by the Town Council a copy of which was submitted to the commission, that will be made the subject of conferences within the next few days, at which it is expected the necesfor the acceptance of the town's propo-

The Town Council's resolution was provisional. The councilmen, in de claring in favor of the trunk sewer, insisted that the same concessions be allowed to Bloomfield that may be made to Montclair, Orange, Glen Ridge or East Orange in the event of their entering into the contract.

Centennial Celebration. The Finance Committee of the Cen tennial Celebration Committee will meet

next Thursday night, when reports from collectors will be received, and if the desired sum has been pledged in a manner to insure the committee that it can be depended upon, the general committee will be informed of the situation, and the various sub-committees can frame their plans in accordance to the appropriation allowed them from the general fund. Some committees like the carnival committees, will have the benefit of the expenditure that will be made by the various lodges and societies in fitting out for their part in the carnival.

The patrons of the Bloomfield Baseball Club will again have the opportunity of seeing their favorites cavorting about the diamond and witnessing some of the old-time battles which brought the Williamson Oval into the baseball lime-

The fans have been asking the questions: "Are we to have a team this year? If so, where are the grounds to be located?"

The fact that the national game is to be kept alive in the town is almost entirely due to the players themselves, who have banded together with several citizens and decided to take a chance

by opening up on May 4. Whether the club, under its present conditions, will be sustained is entirely the greatest of all sports.

siderable work which should have been by the ushers, then proceeded up the that only a few games will have to be It is understood, on good authority. played at Morris Park, for suitable rounds within the boundaries of the own, centrally located, will be secured and ready for use by July at the latest. All the stars of the old team, with one exception, will again get in the

game. "Jack" Hanily, with his deceptive shoots, will be on the mounds, and the old reliable "Bill" Burdette will re-

On Saturday, May 11, the Bloomfield Club will be the opponents of the crack Caldwell team at Caldwell, and as this will be the opening game for the "hilloppers" a great contest is looked for. On Saturday, May 18, the Caldwells will give the locals a return game at Morris Park.

As has been said, whether our peop will patronize the games to be played at Morris Park will have a great bear-Surely those who have enjoyed their Skeele was gowned in pearl gray satin half-holidays during the summer months at the old oval will again rally to the club's support and give the players the glad hand by filling Morris Park to its utmost capacity.

> No subscriptions will be solicited, but any who desire to assist financially in keeping the club together may communicate with Messrs. Raymond Davis, John M. Hague or C. E. Van Winkle. The Llewellyn A. C., an amateur baseball club, whose players average fifteen years of age, has organized with the following players: Alexander Scheilf, catcher; Max Money, pitcher; Frank Schmidt, shortstop; Charles Smith, first base: William Maxwell, second base: Harry Hendrickson, third base: George Hendrickson, right field; William Zimmerman, centre field; Wm. Bender, left field; Augustus Frazer, mascot.

> The Beta Theta Fraternity has organized a baseball team which will enter the Interclub League of Newark. Beta Theta will play their home games at Watsessing Park. The season will open

The Caldwell Athletic Club will open the season on May II on the Academy road grounds, playing a gamewith the Bloomfield Baseball Club. A return game will be played the following week at the Morris Park grounds lace. Her veil was held in place by a on Bloomfield avenue, this town. The peasant cap and she carried a shower Bloomfield club has reorganized with John M. Hague as manager, and it is hoped that the unpleasantness that arose last year, causing the cancelling of a number of games, will not occur this season. The opposing pitchers in the opening game will be Hipfel for Caldwell, and Hanily for Bloomfield.

The fact that the most popular games last year were between Bloomfield and Caldwell assures a large crowd at the opening game, and the Caldwell A. C. is very fortunate in having the first game played on the home

The Caldwell Athletics will probably organize for practice on the Academy

grounds on Saturday, May 4. The Broughton Club defeated the Hustler A. C. of Newark Saturday afternoon in a well played contest. The Hustlers drove in four runs in the first two innings, but by good hitting and base running the Broughtons managed to take the lead in the third. More good hitting scored three runs in the fourth. The score:

Hustler A. C 3 1 0 0 0 1 0 0 0-5 Broughtons 1 1 3 3 1 0 0 0 -9
